

THE ADVENTURES OF

ROBIN HOOD

ABOUT THE SHOW

Robin Hood, with his band of brothers are seeking to rid the land of evil and return hope to the mistreated. It's a tale that's been told a thousand times – although never quite like this.

Two actors perform over 20 characters with exuberance, athleticism, and heart. See heroes and villains, sword fights and surprises, love and loss. Robin Hood will have each child (and adult) on the edge of their seat.

"Superb educators effortlessly weaving the creativity of their productions into mind-boggling flights of imaginative fancy."
